

CAMP IN CAMP– 2011.

We're leaving town on a Friday morning

On a road trip to the Jamboree

The destination is the land of Sweden

Where kids are gathered and it's gonna be a good time

It's simply scouting

REFRENG:

CAMP IN CAMP – We're the kids from Norway

CAMP IN CAMP-and we're on our way

CAMP IN CAMP-in the spirit of BP

CAMP IN CAMP-to the Jamboree

We're all excited 'bout the week ahead

Meeting friends that we don't yet know

We are the world and we are the children

We're having fun at the World scout Jamboree...

And it's simply scouting

REFRENG

But sooner or later it comes, the moment that we've gotta go home.

It's sad and we might shed some tears,

But we'll be prepared, and the memories will last for years

.....and it's simply scouting.
